Looking for translation services? Contact DIALINGUO!

What can we offer you?

Translation, **translation revision**, **proofreading** and **interpreting** across a wide range of **scientific fields** (mechanical engineering, automotive, medicine, biology, chemistry, etc.) and other **specialist fields** (legal, administrative, marketing, etc.).

In addition to German and English, we can also meet your needs **in other languages** (Spanish, Italian, Portuguese, Russian, etc.) through our **trusted partners**.

Why choose DIALINGUO?

Dialinguo guarantees **high-quality work**, delivered within the agreed deadlines and with the utmost confidentiality.

As a small, **close-knit collective**, we can be flexible and responsive, while ensuring that you can **communicate directly** with the translator handling your project. We are committed to responding promptly to your enquiries and providing you with quotations as quickly as possible.

One profession, one passion:

TRANSLATION
